The Little Bang! Pitch + Poster Competition is open to any currently enrolled student at the high school, undergraduate or graduate level in California. The competition is designed to help participants define their business idea and communicate it concisely using a poster and short pitch. Up to 6 awards available per competition. **This is an entry-level competition; no prior business experience is necessary.**

Customer Call Requirements

As you prepare for the Little Bang! Pitch + Poster Competition, use the Customer Call Summary Template provided on the [Little Bang! webpage](#). Ask questions of at least five people (potential customers) to test whether you are working on the right problem and making accurate assumptions regarding your business idea. You are required to integrate this information into your poster, and submit your completed Customer Call Summary as part of your StartupTree submission.

Poster Requirements

Posters must be presented in a 36" by 48" format (portrait or landscape). Use a logo, pictures and graphics wherever appropriate. You are **required to include** (but are not limited to) the following information:

- Business Idea (overview): Describe the business in 1-2 sentences, succinctly summarizing the important information indicated below.
- What (problem and solution): Describe the problem you are solving, and how your business idea will address that problem. Incorporate what you learned from the 5 customer calls you made.
- Who / Where (target market): Describe your target market, including the primary users of the product/service and the intended customers (i.e., purchasing decision makers).
